

SEAVIEW STUDIO

Traditional Stained Glass Lead Light

2 day course - £340 per person

A practical and intensive two day course perfect for a beginner or improver wishing to learn or refresh themselves on the Medieval art of traditional lead work stained glass; the cutting of coloured and textured glass and framing it in lead. During the 2 days you will learn how to construct a 11" x 11" panel from start to finish.

I demonstrate and guide you through each step of the stained glass process. You will be able to select from one of several pre-designed templates, also known as cutlines or 'cartoons', and then select beautiful glass to suit your chosen design, giving it your own unique look. I will show you how to cut the glass to the pattern and teach you how to cut and shape your lead came. You will solder and cement your panel, then clean and polish it ready to take home.

Traditional stained glass is great fun with a real hands on construction process, you will be amazed at what you have created by the end of the 2 days.

PARTICIPATION INFORMATION:

For this course good manual dexterity and hand and wrist strength is required. You will also be on your feet for the 2 days so please take this in mind before booking. If reading glasses are required for close work it is also advisable to bring these along. Please wear flat comfortable, closed in shoes. The course takes place in an old chapel, which can be cool so it is advisable to wear layers. All materials and tools are provided. This workshop will be limited to 6 participants to ensure that everyone has sufficient individual attention.

COURSE TIMES:

Your day will start at 10am but please arrive at 9:50 to shake off the journey and grab a cuppa. Lunch will be at approximately 1:30pm for 1/2 hour and we will finish at 4:30pm. A slightly earlier finish on the Sunday might be achievable depending on progress.

Tea, Coffee and biscuits will be provided and are inclusive. Please bring along a packed lunch. Please note the kitchen in the Chapel has limited facilities, there is a kettle and fridge, however no way of heating food. There is a One Stop in Lowford, 2 mins drive down the road if required.

LOCATION:

GAF Centre, School Rd, Old Bursledon, SO31 8BX

HEALTH & SAFETY:

You will be working with sharp glass, hot tools and machinery, however, I will teach you how to be safe when working. Unfortunately, as you will be working with lead I do not recommend this course for pregnant or nursing mothers. Please wear flat comfortable shoes (no open toes) and clothes you don't mind getting dirty although work aprons will be provided.

You will be provided with all the safety equipment, equipment and materials; glass, lead, solder and cement to enable you to complete your project... just bring along your enthusiasm...and lunch!

SEAVIEW STUDIO

Course Terms and Conditions

Booking Information:

- Seaview Studio is run by Jo Munford as a sole trader.
- Contact Jo Munford on +44 (0)7930 144774 or email jo@seaview-studio.co.uk to make your booking. Please supply your full name, address and a telephone contact number. I will then send you details of how to pay.
- All courses require payment in full at the time of booking.
- Courses are for adults only, 18yrs upwards. 16yrs if accompanied by an adult.
- Workshops are not recommended for pregnant or nursing mothers due to the handling of lead.
- Accessibility - GAF Centre is accessed via a paved courtyard with steps down to the chapel. There is a wheelchair lift and wheelchair facilities in the Chapel, however, standing for 2 days is a requirement of the course.

Cancellations:

- If given 4 weeks or longer of a cancellation before the course I offer a full refund or one free date change or please feel free to send a friend in your place.
- Less than 3 weeks notice of a cancellation I will offer 75% refund or one free date change.
- Cancellations made less than 2 weeks before the course are not refundable.

Our right to cancel:

- In the unlikely event that a workshop is cancelled, I will attempt to give you as much warning as possible to the email address you've registered. I will fully refund your booking fee or transfer you to a new course date, space permitting. However, Seaview Studio cannot be held liable for additional costs incurred such as travel or accommodation.

Course location:

- GAF Centre, School Rd, Old Bursledon, Southampton, SO31 8BX. There is parking on the road outside the Chapel or just around the corner on High Street. The nearest train station is Bursledon which is served by trains on the Southampton - Portsmouth line - just 10 min walk away.

Confirmation:

- By making a booking, you agree to these Terms and Conditions
